## CLEAR FOUNTAIN SYSTEM AND

## WATER TREATMENT

Spray fountain technology requires optimal water conditions: Ideal pH value, no algae and no germs are the basic prerequisites. We use proven means to achieve this end. OASE has developed a special product range of measuring and dosing equipment and accessories for trouble-free treatment.

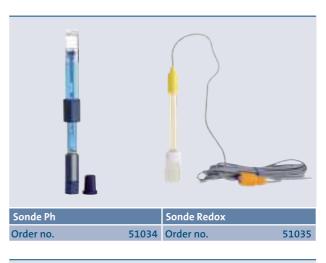

## Product characteristics at a glance

- Visually and technically clean water
- Perfectly matched system components
- High-quality components from a single source
- Easy to handle

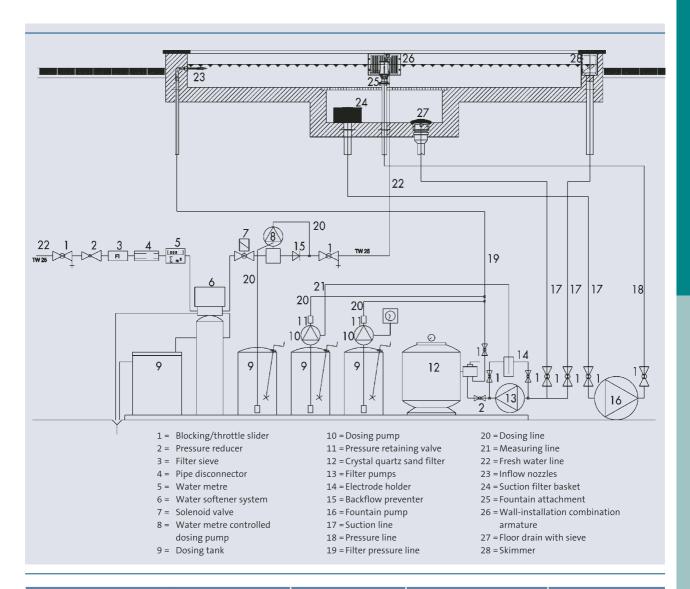

## **CLEAR FOUNTAIN SYSTEM**

- Simple, reliable system in industrial casing with dosing pumps and control instruments.
- Password protected programming with userfriendly display and console.
